Hyderabad,
Dated 22nd May, 2017.

Dear Comrades,

You are all aware that the Government is dilly dallying some of the core issues pending after Seventh Pay Commission such as revised allowances, increased fitment and scrapping of New Pension Scheme (NPS). Against this lack luster and lethargic attitude of the Government, the National Joint Council of Action (NJCA) led by the Confederation of Central Government Employees and Workers has called for a country wide agitation program. As part of the agitation program, the Confederation has called for a massive day long dharna before the Office of the Finance Minister, New Delhi on 23.05.2017 (Tuesday) in protest against the delay in settlement of our demands arising out of implementation of seventh pay commission in general and revised allowances, increased fitment and scrapping of NPS in particular.

As part of agitation program as per the call given by the National Confederation, it has been decided to hold lunch hour demonstration on **23.05.2017(Tuesday) at Ground floor, Income Tax Towers, Hyderabad at 1.15 PM. Sri Ajith Huparikar, Addl.Secretary General, All India Civil Accounts Employees Association has consented to address the lunch hour demonstration.**

In this connection, all the members working in Hyderabad are requested to attend the lunch hour demonstration and make it grand success.

Thanking You.

Yours fraternally,

(USHA BONEPALLI)
General Secretary
